

V1•TV SOFTWARE UPDATE INSTRUCTIONS

1. GO TO: www.vizonsnetwork.live/support.html
2. Select the **V1•TV SOFTWARE UPDATE** tab.
3. Select the **DOWNLOAD** link
Choose the **SAVE AS** option, DO NOT choose the open option.
4. You must copy the file from your computer to a flash drive.
5. Insert the flash drive into the V1•TV USB PORT.
6. From the V1•TV home screen:
Select the **APPS BUTTON**
Select the **UPDATE AND BACKUP icon**.
Click the **SELECT BUTTON**
7. Select the following file:
YES: [vizion_rom_20200504.zip](#)
NO: [_vizion_rom_20200504.zip](#)

Select the WIPE DATA CHECKBOX

Select the WIPE MEDIA CHECKBOX

Select the **UPDATE BUTTON** twice to install the software

If any popups appear, select OK or CONFIRM

The V1•TV will reboot

8. When the software installation is completed:
 - Unplug the power cord from the back of the device
 - Wait 10 seconds
 - Plug the device back in
